Kansas City, Missouri

MESSAGE FROM OUR UFDC PRESIDENT

Welcome to Kansas City! Twenty years ago, back in 2004, I attended my first UFDC doll convention in Kansas City. It was the most amazing, overwhelming, exciting, educational, and jaw-dropping experience of my life. I was hooked, and I have not missed an annual convention since.

I remember thinking what an honor it was to be among “doll greatness”; to have the opportunity to listen to subject-matter experts, researchers and authors speak about the areas for which they are most passionate. I learned a lot, and I still do.

My first steps into the UFDC world-class Sales Room literally took my breath away. The excitement of opening night, the buzz in the room, watching collectors who knew exactly what they were seeking dart from booth to booth. It was and still is treasure-hunting at its finest.

While you are enjoying this week in Kansas City, I hope you will experience the amount of joy I describe. For me, it's a sort of pilgrimage home from where I began with UFDC, never imagining at the time my own experience would culminate in becoming UFDC President and having the privilege to serve our membership. Thank you all for indulging this Kansas-based president in celebrating “There's No Place Like Home.”

Connie Reynolds
UFDC President

MESSAGE FROM OUR CONVENTION DIRECTOR

I would like to welcome you to Kansas City for our 75th Annual Convention. Kansas City is the largest city in the state of Missouri and home to the United Federation of Doll Clubs, Inc. Also known as home of the Chiefs and Royals sports franchises and the famous Kansas City-style barbecue. Nicknamed the City of Fountains, and numerous museums to add to your visit to this city. There's No Place Like Home and we want you to enjoy your week in full doll celebration.

A lot of people have worked very hard to put this Convention together and I would like to take this opportunity to thank them. My fellow EC members and Regional Directors for their leadership and support; the various Chairs and Coordinators who organized each of their special areas for the week, our event artists and host clubs who have partnered to create wonderful meal events; our Convention artist Helen Kish for producing such a memorable Miss Unity doll; our hard working dealers who will collectively create a world-class Sales Room; the individuals and teams who are giving Seminars, Workshops, Special Exhibits, Programs, Dynamic Doll Dialogues and Gatherings; our Convention Journal authors and editor, Past President Loretta Nardone; the MANY individuals who have volunteered some of their precious Convention time; everyone who donated money or goods; our wonderful crew and our amazing UFDC staff. This week would not be possible without you, so please take a bow!

I welcome your comments on what you particularly enjoy this week, what you would like to see more of/less of and any new ideas you have for future Conventions. You can contact me at fred@ufdc.org. I look forward to hearing from you!

Fred Patton

Director of Convention Services
